About Us.

Introduction:

Generation of Thinkers (GOT) is a global, volunteer-driven organization committed to empowering youth and women through education, technology, and equal opportunities. Founded with the vision of creating a future where knowledge and skills know no boundaries, GOT has grown into a community of over **23,000 active learners** worldwide, with a strong presence in underserved and remote regions.

Our work is rooted in the belief that access to quality education and professional development is not a privilege, but a right. We connect learners with world-class platforms such as **Coursera, Canva** and other leading programs, all at **100% free access**. From digital literacy and coding to leadership and entrepreneurship, we equip individuals with the tools they need to succeed in the global job market.

While our reach is global, our heart remains in **Afghanistan**, where the current challenges—especially the ban on girls' education make our mission more urgent than ever. We are dedicated to ensuring Afghan girls and women have access to learning opportunities so they are not left behind. By breaking down barriers and providing equal opportunities, we aim to nurture a generation of leaders, innovators, and change-makers who can shape a better, more inclusive future.

With a **100% volunteer** engagement rate, strong partnerships with global education providers, and an unwavering commitment to integrity, equality, and innovation, GOT continues to be a trusted name in the field of youth empowerment. Together with our partners, donors, and community members, we are building pathways to opportunity and transforming lives, one learner at a time.

A photograph of six young women wearing white hijabs and black clothing, sitting on concrete steps outdoors. They are engaged in conversation, with some smiling and one wearing a light blue face mask. The background shows a textured wall and some greenery.

Mission & Vision.

MISSION

To inspire and empower the next generation of leaders by fostering skills in education, technology, leadership, innovation, and community service – while promoting values of empathy, sustainability, and continuous improvement. Generation of Thinkers is dedicated to building a platform where innovation and collaboration drive positive global impact.

VISION

A world where every young person has the knowledge, tools, and confidence to shape a better, more inclusive, and sustainable future.

Our Core Areas of Work.

Education for All

Breaking barriers by providing free access to world-class learning platforms such as Coursera and other global programs.

Digital Skills & Innovation

Equipping youth and women with modern technological skills, coding knowledge, and international certifications to succeed in the global job market.

Global Opportunities Access

Connecting learners to scholarships, mentorship, and remote work opportunities for sustainable career growth.

Youth Empowerment

Developing leadership, entrepreneurship, and problem-solving skills to nurture the next generation of community changemakers.

Climate Change & Sustainability

Promoting environmental education, green innovation, and climate action initiatives to prepare the eco-leaders of tomorrow.

Mental Health & Well-being

Raising awareness and providing emotional resilience, stress management, and mental health support, especially in crisis-affected areas.

Our Impact in Numbers.

Since our founding, Generation of Thinkers (GOT) has proudly empowered over 23,000 active learners across Afghanistan and beyond. Our community is predominantly made up of dedicated young women, representing 96% of our membership, reflecting our commitment to gender equality and inclusion. We have reached 85% of underserved communities, providing free access to quality education, digital skills, and career development resources. With a 93% volunteer engagement rate, our passionate team drives our mission forward every day. Through partnerships with more than 10 global education providers, we offer 100% free courses and certifications that open doors to global opportunities. Together, these numbers tell the story of a growing movement dedicated to transforming futures through education, innovation, and empowerment.

25,000+	96%	85%
active learners engaged worldwide	female members, 4% male members	communities served in remote areas
100%	20+	100%
volunteer participation rate	partnerships with global education providers	free access to all courses and certificates

Why Choose GOT?

Thousands of learners worldwide trust GOT because we are committed to providing accessible, high-quality education without barriers. Our transparent, volunteer-driven operations ensure every resource is used effectively to benefit learners. Through partnerships with leading global education providers, we offer a wide range of courses and certifications that are completely free. Our programs promote inclusivity and equal opportunity, empowering learners from all backgrounds. With a proven track record of success in education and empowerment, GOT stands as a reliable platform to help you achieve your goals.

Our Core Values.

At the heart of GOT lies a commitment to integrity and transparency; we believe honesty and openness are essential in building trust and delivering meaningful education. Our dedication to empowering individuals is unwavering, and we strive to help each learner unlock their full potential. We uphold professionalism and competency by maintaining high standards in all our knowledge, skills, and behaviors. Respect and empathy guide us in fostering a diverse and inclusive community where everyone is treated with dignity. Through teamwork and leadership, we collaborate effectively to achieve our shared mission. We continuously innovate and improve, embracing new ideas to maximize our impact. Lastly, we prioritize sustainability and quality to ensure our educational solutions endure and benefit future generations.

Integrity & Transparency

Honesty, ethics, and openness always guide our work and decisions.

Teamwork & Leadership

Collaborating with shared goals and nurturing leadership at every level.

Commitment & Empowerment

Dedicated to our mission, we empower individuals to reach their best.

Sustainability & Quality

Providing long-term, high-quality solutions for communities and beyond.

Professionalism & Competency

Maintaining high standards in knowledge, skills, and professional conduct.

Innovation & Continuous Improvement

Seeking new ideas to maximize positive impact.

Respect & Empathy

Treating all with dignity and embracing diversity and inclusion.

Inclusivity & Accessibility

Ensuring education is open and accessible, removing all barriers.

Our Departments

Education & Talent Development

This department manages all educational initiatives, from Generation of Thinkers including language learning, leadership and volunteer development, capacity building, and quality assurance.

Membership & Alumni Affairs

This department oversees membership and alumni relations, community engagement, organizational culture, tracking, and ambassador and club activities, ensuring a connected, active, and sustainable Generation of Thinkers ecosystem.

Communications & Publications

This department manages marketing and branding, publications and communications, including content creation, videos, posters, and official messaging, strengthening identity, public image, and outreach to members and partners.

Green Generation & Sustainable Future

This department leads environmental sustainability, climate action, green innovation, and community engagement. It promotes eco-friendly practices, environmental education, and initiatives that build a greener and more sustainable future.

Operations & Administration

This department oversees operations and executive support functions, managing daily administration, internal coordination, and logistics to ensure all programs run smoothly and efficiently.

Emerging Technologies & Innovation

The STEM Department supports science, technology, engineering, mathematics, including robotics, artificial intelligence, and emerging technologies, through mentorship and innovation within Generation of Thinkers.

Our Partners.

We collaborate with global organizations, universities, and companies to expand opportunities for our members. Our network of partners helps us deliver high-quality educational resources, mentorship, and career pathways.

School & University

At Generation of Thinkers, our educational initiatives are designed to empower students with knowledge, skills, and opportunities that transform lives and communities. From our schools to our university, we focus on creating inclusive, innovative, and high-quality learning environments for learners of all ages.

Generation of Thinkers School

Our schools provide a holistic education that combines academic excellence with leadership, language, STEM, and life skills development. We prioritize access for underprivileged students, especially Afghan women and girls, ensuring they have the tools, mentorship, and opportunities to succeed in a rapidly changing world. Through workshops, mentorship programs, and interactive learning, our students gain the confidence and skills to lead, innovate, and contribute to society.

Generation of Thinkers University

Our university is launched and to extend the same vision to higher education. It will offer degree programs, research opportunities, and professional development in areas such as STEM, entrepreneurship, leadership, and social innovation. By fostering critical thinking, innovation, and global readiness, the university aims to equip students to drive social, economic, and technological progress in Afghanistan and beyond.

Together, the school and university form a continuum of learning, ensuring that Generation of Thinkers learners are prepared to make a meaningful impact in their communities and the world.

Generation of Thinkers – Learning, Leading, and Transforming Futures.

What's Next for us ?

We collaborate with global organizations, universities, and companies to expand opportunities for our members. Our network of partners helps us deliver high-quality educational resources, mentorship, and career pathways.

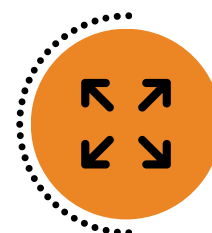

1 EXPANDING THE GENERATION OF THINKERS SCHOOL

Expanding Generation of Thinkers School to provide quality education for Afghan women.

2 EXPANDING EDUCATION INITIATIVES

Expanding women's and men's education initiatives in Afghanistan, South Asia, Central Asia, and Africa.

3 STRENGTHENING GLOBAL COLLABORATIONS

Strengthening collaborations with global universities and organizations to introduce innovative education models.

4 ADVANCING HIGHER EDUCATION

GOT University, currently in progress, to provide quality higher education, foster innovation, and create opportunities for students to drive social and economic impact.

Get Involved us ?

Whether you are an **organization, volunteer, or donor**, you can be part of our movement to change lives through education, innovation, and leadership.
